

# HEALTH & SAFETY

## VOLUNTEER OPPORTUNITIES

---

### **CPR INSTRUCTOR:**

Must possess a current Fundamentals of Instructor Training certificate; have current American Red Cross First Aid/CPR/AED Instructor authorization including thorough knowledge of first aid/CPR/AED skills. Instructors are needed throughout the year usually to teach evening or Saturday classes. We can arrange for you to teach when it best fits your schedule.

### **FIRST AID INSTRUCTOR:**

Must possess a current Instructor Candidate Training certificate; have current American Red Cross First Aid and CPR Instructor authorization including thorough knowledge of First Aid/CPR/AED skills. Instructors are needed throughout the year usually to teach evening or Saturday classes. We can arrange for you to teach when it best fits your schedule.

### **COMMUNITY DISASTER EDUCATION PRESENTER (CDE):**

CDE presenters provide educational instruction and training to the community in disaster preparedness and prevention. The American Red Cross curriculums presented are intended to develop skills needed to be safer, healthier and better prepared for emergencies. Training to be a CDE presenter is self taught and through shadowing other CDE presenters.

### **COMMUNITY DISASTER EDUCATION COORDINATOR:**

CDE Coordinator is responsible for coordinating requests for disaster preparedness and prevention presentations with the CDE presenter and prepares and maintains materials needed for presentations.
