CPR Resuscitator Mask (#5000 SGI)

Emergency care CPR mask offers superior protection to the rescuer and victim. Features include a one-way valve with filter to direct the flow of exhaled gases away from the rescuer. Soft pliable bladder facilitates proper seal, and the clear plastic design aids proper positioning on victim. Features an elastic head strap to ensure a secure fit. May be used on children and adults and includes oxygen inlet in the event supplemental oxygen is needed. Infant mask uses the one-way valve from adult mask. Comes in a soft nylon case with belt loop and clip.

List price: \$12.50 each. Sale Price: \$11.25 each
